

Electrical Project Supervision Level 2 - Pleasanton

Each succeeding level requires completion of the previous level course.

The Electrical Project Supervision (EPS) program consists of three integrated levels of instruction. Topics covered include defining the supervisor's role, team building, verbal communication, written communication, performance management, employee relations, safety, production management, planning and scheduling, tool and material management, and understanding costs. Another benefit of the program's structure is the peer-to-peer interaction between new and experienced supervisors.

Questions? Contact Juanita Mitchell at the NorCal NECA Office 925-828-6322.

Participants **MUST ATTEND ALL SIX CONSECUTIVE CLASSES** to receive a certificate of completion. **No make-up classes allowed.**
