The Northern California Addendum Number Two ("Addendum No. 2") is by and between the signatory NECA Chapters and signatory IBEW Local Unions. This agreement is an addendum to the 9th District Sound and Communications Agreement which covers California, Oregon, Nevada and Washington. As used in this Addendum, the term "Chapter" shall mean signatory NECA Chapters and the term "Union" shall mean signatory IBEW Local Unions. The term "Addendum" shall refer to the Northern California Addendum Number Two.

It shall apply to all firms who sign a Letter of Assent to be bound by the terms of this Agreement. This Agreement shall have no force or effect unless a firm signatory to a Letter of Assent to this Addendum is also signatory to a Letter of Assent to the 9th District Sound and Communications Agreement. All firms must sign a Letter of Assent to the Local Addendum, wherever said firm is performing work covered by this Agreement. Any firm desiring to terminate its Letter of Assent must terminate both Assent to the 9th District Agreement and Assent(s) to any addendums to which the firm is signatory.

In the event that a dispute arises between the language of the Addendum and the Master Agreement, the Addendum language shall take precedence, provided such Addendum has been approved, the same as this Agreement.

Conditions relevant to a specific geographic area shall be negotiated and made part of this agreement as Schedules A, B, C, D and E and attached hereto.

The term "Employer" shall mean an individual firm who has been recognized by an assent to this Agreement.

BASIC PRINCIPLES

The Employer and the Union have a common and sympathetic interest in both the Sound and Communication and Electrical/Electronic Industries. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union and the Public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by rational, common sense methods. Now, therefore, in consideration of the mutual promises and agreements herein contained, the parties hereto agree as follows:

ARTICLE I

Effective Date – Changes – Grievances – Disputes

Section 1:01. This Agreement shall take effect December 1, 2023, and shall remain in effect until November 30, 2027 unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from December 1 through November 30 of each year, unless changed or terminated in the way later provided herein.

Section 1:02.

- (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.
- (b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.
- (c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.
- (d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations for the Electrical Contracting Industry (CIR) may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.
- (e) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.
- (f) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1:03. This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement or addendums.

Section 1:04. There shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

Section 1:05. There shall be a Labor-Management Committee composed of four (4) members of the IBEW and four (4) members of the National Electrical Contractors Association. One (1) member from the IBEW and one (1) member from NECA shall be from the area in which the dispute arose, however, these members shall not vote on the dispute and will be excused from the meeting while the vote is taken.

A Labor-Management Committee will be comprised of the parties to this Addendum. It shall be established and perform pursuant to rules contained in the 9th District Sound and Communications Agreement.

Four (4) members of the Committee, two (2) from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

Section 1:08. Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

Section 1:09. The Council on Industrial Relations pursuant to its basic rule number XI shall appoint an interim committee to investigate each issue that has been submitted to it by the local parties for adjudication under Article 1:08 of this agreement. The appropriate IBEW Vice-President and Regional Executive Director of NECA shall be designated as the co-chairman of the committee. The co-chairman may appoint additional members to the committee not to exceed two members each. The purpose of this committee shall be to review those issues that have been referred by the local parties to the Council for adjudication. The interim committee shall make recommendations to the Council on each issue that has been referred to it prior to the next regular session of Council. The interim committee may share their recommendations with local parties for their consideration prior to the Council session.

Section 1:10. When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

Section 1:11. Any grievance which is not filed in writing within ten (10) working days of the grievant becoming aware of the alleged violation, shall be deemed to no longer exist.

ARTICLE II

Therefore, an Employer who contracts for such work is a person, firm or corporation having these qualifications and maintaining a permanent place of business, a business telephone and adequate tools, equipment and inventory. The Employer shall maintain a suitable financial status to meet payroll requirements, and employing not less than one (1) installer and/or technician, when performing work covered under this Agreement.

- (a) Employees, except those meeting the requirements of “Employer” as defined herein, shall not contract for any work as set forth under the “Scope of Work” of this Agreement.
- (b) Any employee, working under the terms of this Agreement, holding an active contractor’s license covering the Scope of Work as set forth in this Agreement, shall inactivate their license in accordance with State Law.
- (c) Any Employee covered by this Agreement having no work hours reported during two (2) fringe benefit transmittal periods shall be terminated by the Employer unless prior approval is given by the Business Manager or their designated representative.

Section 2:02. The Unions understand the Employer is responsible to perform the work required by the owner. The Employer shall, therefore, have no restrictions except those specifically provided for in the collective bargaining agreement, in planning, directing and controlling the operation of all his work, in deciding the number and kind of employees to properly perform the work, in hiring and laying off employees, in transferring employees from job to job within the Local Unions’ geographical jurisdiction, in determining the need and number as well as the person who will act as Foreman (See Section 3:05), in requiring all employees to observe the Employer’s and/or owner’s rules and regulations not inconsistent with this Agreement, in requiring all employees to observe all safety regulations, and in discharging employees for proper cause.

Section 2:03. For all employees covered by this Agreement, the Employer shall carry Workman’s Compensation Insurance with a company authorized to do business in the State, Social Security and such other protective insurance as may be required by the laws of the State in which the work is performed.

Section 2:04.

- (a) The Employer agrees that if a majority of its employees authorizes the Local Union to represent them in collective bargaining, the Employer will recognize the Local Union as the exclusive collective bargaining agent for all employees performing communication/electronic work within the jurisdiction of the Local Union on all present and future jobsites.
- (b) The Employer understands that the Local Union’s jurisdiction – both trade and territorial – is not a subject for negotiations but rather is determined solely within the IBEW by the International President, and therefore, agrees to recognize and be bound by such determination.

Section 2:05. In order to protect and preserve, for the employees covered by this Agreement, and in order to prevent any device or subterfuge to avoid the protection and preservation of such work, it is hereby agreed as follows: If and when the Employer shall perform any work of the type covered by this Agreement, under its own name or under the name of another, as a corporation, company, partnership, or any other business entity, including a joint-venture, wherein the Employer, through its officers, directors, partner or stockholders, exercise either directly or indirectly, management, control or majority ownership, the terms and conditions of this Agreement shall be applicable to all such work.

Section 2:06.

- (a) Free movement of men is allowed throughout any of the signatory Local Union jurisdictions. On all jobs exceeding one (1) day in duration, the Employer shall notify the Local Union in whose jurisdiction he will be working, in writing or by fax, prior to starting a job, the location of the job, and the names and social security numbers of the employees to be sent in. A standardized portability form will be provided by the Union. The representative of the Union, either in the area where the work is being performed or in the areas where the contractor's shop is located, shall have the authority to inspect the individual Employer's payroll and associated work records as to time and pay of an employee, if the question arises. The rights covered by this Section are not automatic but are contingent upon compliance with the proper notification contained herein.
- (b) In the Northern California Addendum Schedule A, B, C, D, and E employees covered by this Agreement who are working within the jurisdiction of the Local Union where the employer's shop is located shall be dispatched through that Local Union's referral office.

Section 2:07. A signatory Employer shall not perform work as an installer and/or technician except one (1) designated member of a firm (Employer) shall be permitted to work with the tools at any time on work covered by this Agreement. Such working member of a firm (Employer) shall work under all the terms and conditions of this Agreement. The firm shall have one (1) installer and/or technician not a member of the firm employed under the terms of this Agreement at all times. Avoidance of the intent of this section shall not be permitted by the pretense of ownership of the business by an immediate member of the family. Nothing contained in this section shall be construed to prevent any Employer from performing work during emergencies for the protection of life or property or working up to four (4) hours each day on service, repair calls, and checking and inspecting.

In this addendum, an Employer performing residential work shall be permitted to personally install work under the scope of the Agreement without having any Apprentices, Installers or Technicians.

Section 2:08. The Union has the right to appoint Stewards at any shop and/or any job where workmen are employed under the terms of this Agreement. The Employer shall be notified and furnished the name of the Steward. Such Stewards shall be allowed sufficient time during the regular working hours without loss of pay to see that the terms and conditions of this Agreement are observed at his shop or on his job. No Steward shall be discriminated against by an Employer because of his faithful performance of duties as Steward, nor shall any Steward be removed from the job until notice has been given to the Business Manager of the Union. Such removal would be subject to the grievance procedure.

Section 2:09.

- (a) The representative of the Union shall be allowed access to any shop or job, at any reasonable time, where workers are employed under the terms of this Agreement, provided he first notifies the Employer's local office.
- (b) The employer agrees that he shall not dismiss or otherwise discriminate against any employee for making a complaint or giving evidence to a representative of the union with respect to an alleged violation of the agreement.

Section 2:10.

- (a) It shall not be a violation of this Agreement, and it shall not be cause for discharge or any other disciplinary action by the Employer against any employee, for an employee to refuse to cross or work behind a picket line which is sanctioned by the Building Trades Council, the Central Labor Council or the Local Union.
- (b) Any employee exercising such right shall carefully put away all tools, materials, equipment, or any other property of the Employer in a safe manner.

Each employee will be responsible for any loss to the Employer for neglect in carrying out this provision but only when a safe place is provided by the Employer.

Each employer will furnish necessary locked storage to reasonably protect tools from weather and vandalism and will replace such tools when tools are damaged on the job or stolen from the locked storage.

Section 2:11. Employees under this Agreement shall not be required to furnish power or special tools or test equipment. Employees shall not use the Employer's property such as tools, parts, test equipment and transportation for other than the Employer's business.

In this Addendum, if any employee, as a result of their own negligence, damages, destroys or loses the Employer's tools or equipment, the employee shall repair, replace or compensate the Employer for such loss or damages sustained.

Section 2:12. All employees covered by the terms of this Agreement shall be required to become members of the Union as a condition of employment from and after the eighth day following the date of their employment or the effective date of this Agreement, whichever is later.

Section 2:13.

- (a) The Local Union is a part of the International Brotherhood of Electrical Workers; any violation or annulment by an individual Employer of the approved Agreement of this or any other Local Union of the IBEW, other than violations of paragraph 2 of this section, will be sufficient cause for the cancellation of his Agreement by the Local Union, after a finding has been made by the International President of the Union that such a violation or annulment has occurred.
- (b) The subletting, assigning or transfer by an individual Employer of any work in connection with electrical/electronic work to any person, firm or corporation not recognizing the IBEW or one of its local unions as the collective bargaining representative of his employees on any sound and communication or electrical/electronic work in the jurisdiction of this or any other local union to be performed at the site of the construction alteration, painting or repair of a building structure or other work, will be deemed a material breach of this Agreement.
- (c) Prefabrication of Communications materials, except standard catalogue items, shall be performed by workers employed under the terms of this Agreement. Standard catalogue items do not include items made to the special specifications of Employer or the customer. Wages shall be paid at the rate in effect for the jobsite location where the prefabricated communications materials are to be installed.
- (d) All charges of violations of Section (b) and (c) of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

Section 2:14. The Labor-Management Committee shall meet within five (5) working days when notice is given by any member thereof that an unresolved dispute within the jurisdiction of the Committee exists.

Section 2:15. The Union reserves the right to discipline its members for violation of its laws, rules and agreements.

Section 2:16. Favored Nations.

- (a) The Union agrees that if, during the life of this Agreement, it grants to any other Employer in the Electrical Contracting Industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such better terms or conditions shall be made available to the Employer under this Agreement and the Union shall immediately notify the Employer of any such concession.
- (b) In this addendum, any special terms, conditions or amendments provided for a specific marketing or organizing need as agreed by the parties may be implemented in accordance with established procedures negotiated between the Employer and the Union not in conflict with IBEW policies. To the extent feasible within time constraints, such terms, conditions or amendments shall be made available to all signatory Employers with an interest or involvement in the specific job in question as defined above. In no event shall terms, conditions or amendments, referred to herein, constitute an action subject to or invoking the Favored Nations Clause in the Agreement.

Section 2:17. Surety Bond - Union Geographical Jurisdiction. In this addendum, Each Employer shall furnish a surety bond in the amount of \$10,000.00 to secure payment of all amounts due on account of payroll and fund deduction, contribution and reporting obligations of the Employer required by this Addendum. Said bond shall be in the form acceptable to the Union. The bond shall provide that it may not be terminated without thirty (30) days prior written notice to the Employer and the Local Union. The Labor Management Committee shall have full power to determine the amount of money due, if any, and shall direct payments of delinquent wages from the Bond directly to the affected employees and direct payments of delinquent fund contributions from the bond directly to the Trustees of the affected funds or to their designated agents.

Section 2:18. Vehicle Signage. The neutral member of the Appeals Committee may, in his or her sole discretion:
 - 1. Require the applicant to obtain further training from the JATC before again being eligible for referral.

NEBF

Section 5:01. National Electrical Benefit Fund. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund ("NEBF"), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the NEBF, the individual Employer will forward monthly to the NEBF's designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the NEBF. The payment shall be made by check or draft and shall constitute a debt due and owing to the NEBF on the last day of each calendar month, which may be recovered by suit initiated by the NEBF or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours' notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Agreement.

Section 5:02. District No. 9 Retirement Plan.

- (a) In this addendum, each Employer agrees to pay, as stipulated in Schedules A, B, C, D, and E for each hour worked by all employees covered by this Agreement to the International Brotherhood of Electrical Workers District No. 9 Retirement Plan, a jointly-trusted pension trust created pursuant to Section 302(c) of the Labor-Management Relations Act.

Payment shall be due on the tenth (10th) day of the month following the month in which hours were worked and shall be forwarded to the Administrator of the Trust monthly. The Employer further agrees to be bound by the provisions of the Trust Agreement created by the International Brotherhood of Electrical Workers District No. 9 Retirement Plan dated 1974, and all amendments hereafter adopted, and agrees to accept as its representatives the present Employer Trustees and their lawfully appointed successors.

- (b) In this addendum, each remittance will be accompanied by a form which will be furnished for this purpose. Failure to forward negotiable remittance for the entire payment due by the tenth (10th) day of the month will automatically require immediate payment of damages prescribed by the Trust Agreement as well as delinquent amounts due and will further require other action as set forth in the Trust Agreement.
- (c) In this addendum, in addition to the damages assessable for late payment under the Trust Agreement and to other legal action which may be taken to collect delinquent payments which have not been received by the Board of Trustees of the IBEW District No. 9 Retirement Plan by the tenth (10th) day of the month following the month for which such assessments were due, individual Employers who fail to remit in accordance with the provisions shall be subject to having this Agreement terminated upon seventy-two (72) hours' notice, in writing, being served by the Union, provided the Employer fails to show satisfactory proof that the required payments have been made to the International Brotherhood of Electrical Workers District No. 9 Retirement Plan.

ARTICLE VI

National Electrical 401K Plan

Section 6:01. It is agreed that the individual Employer, in accord with the National Electrical 401(k) Plan Agreement and Trust (“Agreement and Trust”) as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers, as amended, will participate in the National Electrical 401(k) Plan (“NEFP”).

The individual Employer recognizes that applicable rules require contributions to be transmitted to a 401(k) plan as soon as they can reasonably be segregated from the general assets of the employer. The Trustees of the NEFP strongly encourage all contributing employers to regularly remit to the NEFP or its designee any and all bargaining unit employee elective deferrals within seven business days of the date when the Employer receives or withholds such employee elective deferrals. However, in recognition that some employers may be unable reasonably to segregate participant contributions from their general assets more frequently than the standard monthly processing cycle for participant contributions to pension plans, as noted in U.S. Department of Labor Field Assistance Bulletin 2003-2, all contributions must be remitted by the fifteenth (15th) of the month following the month in which the amounts would otherwise have been payable to the participant. In all events, contributions not remitted by this date shall constitute a debt due and owing to the NEFP. In making such contributions, the individual Employer shall utilize the NEFP’s electronic remittance system. Further, in agreeing to participate in the NEFP, the individual Employer agrees to cooperate with the NEFP by submitting all reasonably requested documents and information necessary for the NEFP to perform all required testing of the NEFP under the tax laws.

The Chapter and/or the individual Employer, as the case may be, and the Local Union certify that no existing defined benefit plan was terminated or modified in any manner solely as a condition upon or as a result of the adoption of the NEFP. This provision does not interfere with the rights and obligations of such local plan(s)’ trustees to make changes to the plan(s) pursuant to the needs of the plan(s), their fiduciary duty, and the requirements of ERISA, the Pension Protection Act, or other laws and regulations.

Inasmuch as the NEFP is intended to offer bargaining unit employees the opportunity to defer current salary into a retirement savings plan and not to replace any existing employer-funded defined benefit plan, no employer contributions will be required or accepted on behalf of individuals for hours worked under the terms of this agreement.

The individual Employer hereby accepts, and agrees to be bound by, the Agreement and Trust.

An individual Employer who fails to remit employee elective deferrals as provided above shall be subject, in addition to all remedies afforded by law or in the Agreement and Trust, to having its participating in the NEFP suspended or terminated at the discretion of the Trustees of the NEFP upon written notice to the individual Employer. An individual Employer who fails to remit as provided above shall be additionally subject to having this agreement terminated upon seventy-two (72) hours’ notice in writing being served by the Union, provided the individual Employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Agreement and Trust shall also constitute a breach of his labor agreement.

ARTICLE VII

Safety

Section 7:01. It is the Employer's responsibility to insure the safety of its employees and their compliance with safety rules and standards.

Section 7:02. When employees are required to work in hazardous area(s) they shall be supplied protective clothing and equipment by the employer. Any safety equipment or necessary protective devices shall be supplied to workmen by the employer.

ARTICLE VIII

Industry Fund (NECA members only)

- (a) Twenty-five percent (25%) of all productive electrical payroll in excess of 75,000 man-hours paid for electrical work in any one Chapter area during any one calendar year, but not exceeding 150,000 man-hours.
- (b) One hundred percent (100%) of all productive electrical payroll in excess of 150,000 man-hours paid for electrical work in any one Chapter area during any one calendar year.

[Productive electrical payroll is defined as the total wages (including overtime) paid with respect to all hours worked by all classes of electrical labor for which a rate is established in the prevailing labor area where the business is transacted.]

Payment shall be forwarded monthly to the National Electrical Industry Fund in a form and manner prescribed by the Trustees no later than fifteen (15) calendar days following the last day of the month in which the labor was performed. Failure to do so will be considered a breach of this Agreement on the part of the individual employer. (REQUIRED OF NECA MEMBERS ONLY.)

ARTICLE IX

- (c) Vacation time is not accumulated except by mutual express consent between the Employer and the employee.

Section 9:04. Vacation – Seniority. In this addendum, vacations shall be scheduled strictly according to seniority. An employee shall not be compelled to take a split vacation, but if he elects to do so, his first choice shall be on the basis of seniority and his second choice on the basis of availability. Vacation schedules shall be posted. No employee to be called to duty, discharged or laid off while on vacation.

Section 9:05. Health & Welfare Trust Fund.

- (a) In this addendum, each Employer agrees to pay, as stipulated in Schedules A, B, C, D, and E for each hour worked by all employees covered by this Agreement. The contributions shall be paid to the IBEW/NECA Sound and Communications Health and Welfare Trust Fund, a jointly trusted Health and Welfare Trust Fund created pursuant to Section 302(c) of the Labor Management Relations Act. Payment shall be due on the 10th day of the month in which coverage will exist subject to the provisions of (b) below. The money shall be forwarded to the Administrator of the Trust monthly. The Employer further agrees to be bound by the provisions of the Trust Agreement created by the IBEW/NECA Sound and Communications Health and Welfare Trust Fund and all amendments hereinafter adopted by the Trustees and agrees to accept as its representatives the present Employer Trustees and their lawfully appointed successors.

- (c) In this addendum, each remittance will be accompanied by a form which will be furnished for this purpose. - (d) In this addendum, in addition to the damages assessable for late payment under the Trust Agreement and to other legal action which may be taken to collect delinquent payments which have not been received by the Board of Trustees of the IBEW/NECA Sound and Communications Health and Welfare Trust by the tenth (10th) of the month individual Employers who fail to remit in accordance with the provisions shall be subject to having this Addendum terminated upon seventy-two (72) hours' notice, in writing, being served by the Union, provided the Employer fails to show satisfactory proof that the required payments have been made to the IBEW/NECA Sound and Communications Health and Welfare Trust.
- (e) In this addendum, prior to any change in benefit structure or premium charges, recommendation of such change shall be referred to the Labor-Management Committee for consideration. However, this shall not affect the right of the Trustees of the IBEW/NECA Sound and Communications Health and Welfare Trust Fund to protect the financial integrity of the Plan for health benefits provided herein should the Labor-Management Committee fail to take action to provide that premiums paid are sufficient to support benefits provided.
- (f) Management shall contribute \$0.05 per hour for a Substance Abuse Testing Program to be administered by the IBEW/NECA Sound and Communications Health and Welfare Trust Fund.

Section 9:06. Loss of Manpower. In this addendum, the Association and/or Employer agrees that it shall not constitute a violation of this Agreement for the Union to remove the workmen employed by an Employer who is delinquent in any wage or fringe payment due under the terms of this Agreement, provided the Employer receives seventy-two (72) hours' notice in writing and provided the Employer fails to show positive proof that delinquent payments have been made.

There shall be a Joint Apprenticeship and Training Committee (JATC) having four (4) members representing the chapters of the National Electrical Contractors Association (NECA) and an equal number of four (4) members representing the local unions of the International Brotherhood of Electrical Workers (IBEW). This committee shall make local standards in conformity with the National Apprenticeship and Training Standards for the Sound and Communications Industry governing the qualifications, selection, education and training of all Apprentices. The JATC shall also be responsible for training Systems Installers and others. The local standards will be promptly agreed upon by the parties to this Agreement and shall be registered with the National Joint Apprenticeship and Training Committee and the appropriate State or Federal Apprenticeship Registration Agency.

Section 10:02. Committee Member - Term of Office.

- (a) Members of the Joint Apprenticeship and Training Committee shall be selected by the party they represent. Their term of office shall be three (3) years unless removed by the party they represent. In case of a deadlock, the matter in dispute shall be referred to the parties to this Agreement for settlement. Any proposed change in this Agreement pertaining to Apprenticeship and Training should first be considered by the Committee for their recommendation before being acted upon by the parties to this Agreement.
- (b) The Committee may establish or authorize a Joint Subcommittee to be similarly constituted and selected for authorized training programs in a specified area or for other than Apprentice Training Programs.

Section 10:04. Committee Authority.

- (c) Each job site shall be allowed a ratio of two (2) apprentices for every three (3) Systems Installers.

Section 10.07. Apprentice Supervision. An Apprentice is to be under the supervision of a Systems Installer at all times except when in the third year of the program. Systems Installers are not required to constantly watch the Apprentice but are to lay out the work required and permit the Apprentice to perform the work on his/her own. Systems Installers are permitted to leave the immediate work area without being accompanied by the Apprentice assigned to him.

Section 10.08. Trust Fund.

5. to sponsor programs which improve job security, enhance economic and community development, and promote the general welfare of the community and industry;
6. to engage in research and development programs concerning various aspects of the industry, including, but not limited to, new technologies, occupational safety and health, labor relations, and new methods of improved production;
7. to engage in public education and other programs to expand the economic development of the electrical construction industry;
8. to enhance the involvement of workers in making decisions that affect their working lives; and,
9. to engage in any other lawful activities incidental or related to the accomplishment of these purposes and goals.

Section 11:02. The Fund shall function in accordance with, and as provided in, its Agreement and Declaration of Trust and any amendments thereto and any other of its governing documents. Each Employer hereby accepts, agrees to be bound by, and shall be entitled to participate in the LMCC, as provided in said Agreement and Declaration of Trust.

In the event the Employer is in default, the Employer shall be liable for a sum equal to 15% of the delinquent payment, but not less than the sum of twenty dollars (\$20), for each month payment of contributions is delinquent to the Fund, such amount being liquidated damages, and not a penalty, reflecting the reasonable damages incurred by the Fund due to the delinquency of the payments. Such amount shall be added to and become a part of the contributions due and payable, and the whole amount due shall bear interest at the rate of ten percent (10%) per annum until paid. The Employer shall also be liable for all costs of collecting the payment together with attorneys' fees.

Section 11:05. Sound & Communications Public Works Compliance Fund. Effective December 1, 2017, the hourly contribution rate shall be established at \$0.30 per hour for all classifications. Drug Testing

Section 12.01. The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW Local Union and NECA Chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

ARTICLE XIII

Separability

Section 13.01. The fund is to be administered solely by the employers. The Administrative Maintenance Fund contribution shall be submitted with all other fringe benefits covered in the Labor Agreement by the 15th of the month and shall be bound to the same delinquency requirements under this Labor Agreement. The enforcement for delinquent payments to the fund shall be the sole responsibility of the fund or the employers and not the Local Union. The Fund may not be used in any manner detrimental to the Local Union or the IBEW.

ARTICLE XV

MEMORANDUM OF UNDERSTANDING - ADDENDUM NO. 2

During the course of negotiations over this Agreement, a number of items were addressed which could not be completely resolved because of the issue of "Category I" or standard IBEW/NECA contract language.

There were five provisions in the agreement that were agreed to even though the language in the agreement does not reflect the complete understanding of the parties. This Memorandum will clarify the intent of the parties with respect to those four (4) sections.

1. Section 1:03 is understood to mean that if the International Office of the IBEW "redlines" or modifies any provision(s) in this Agreement, such provision(s) will be renegotiated by the parties.
2. Section 3:07 is understood to mean that the actual hours of work for the first, second, and third shift will be determined by the actual starting time of the first shift, as provided for in Section 3.01.
